

Principal's Message:

Dear Parents and Carers

Welcome back to school and Term 2. I hope you had lovely holidays and enjoyed the lovely weather over the 2 weeks.

Our teachers had a very intensive day looking at the teaching of Writing yesterday which was very worthwhile.

Thank you to our wonderful P&C who catered for our lovely lunch. This is a lovely and much appreciated recognition of all that our staff do for the students at TPS.

Mrs Warren is on leave this week but will be back next week.

Mrs McIntyre has returned after her knee surgery and is eager to get back to the classroom. We're very pleased to have her back too.

Miss Richie will be teaching 4S for the remainder of the year. Miss Richie is very excited about the new class and I'm sure the class will love the change of teacher too.

Can I remind parents that it is very important to read the newsletter! We had a number of families arrive at school yesterday as they were unaware of the staff development day. Every public school has these days at the start of each term except Term 4.

We had some work completed over the break. New fencing around the oval and new entrance to the oval at K-2. We also had the office patio brickwork rendered which has modernised the Admin Block a little. It looks lovely.

We have 3 outdoor ping pong tables arriving this week.

This will give the students another fun activity over the lunch and recess breaks. They are very sturdy and will bring hours of fun and competition to the playground. Cross Country is coming and students will be practising this week at school. This is held at school and parents are most welcome to come along.

Year 5 are off to Bathurst in Week 4. All costs for this need to be finalised this week please. Notes for this have been sent home to students via email.

OC Applications open today. All applications are online. I will send information to Year 4 students this week.

We are now wearing our Winter uniforms but are flexible over the next four weeks to wear Summer uniforms until the weather cools down.

Have a great week and a very rewarding Term.

Sport News:

Welcome back to another exciting term of sport! During the holidays, some of the Sport Captains volunteered their time to help Mr DeJager and Ms McGuire clean up the sports shed. Together we emptied, assessed and repacked the equipment. Thank you so much to Will Kay, Maya Jones, Helen Zhao, Alannah Stafford, Sania Sehgal, Mitchell Clark and Cam Seabrook for giving up their time to help out. What an excellent job! Now we just have to keep it tidy!

Planning Ahead...

Thursday 3rd May
Friday 4th May

- Dance Auditions in the Hall 9.30am
- PSSA TPS v Asquith PS
Soccer @ Asquith Oval
Netball @ Asquith School
AFL @ Foxglove
- School Cross Country 9.30am

Monday 7th May

The Cross Country is coming up this Monday. This race is done in our school grounds as we can cover different surfaces and there are enough inclines and declines to suit the requirements of the course. ***Asthmatic students who self-medicate are encouraged to take ventolin prior to running and keep their puffers on them.*** We aim to start as close to 9.30am as possible to enable us to get through the races by recess, with regular classes resuming thereafter. If you're able to assist us by lap marking please email me: katrina.mcquiere2@det.nsw.edu.au. The results will be published in the newsletter in WEEK 3, with the 1st 6 students in each age group progressing to the Zone Carnival. Ribbons will be handed out to place getters (Ages 8/9 and up only) at the Yr 3-6 Assembly in WEEK 4. Students should hold onto the place cards they receive as they count towards a gold certificate.

PSSA continues this Friday but please note that we change to afternoon competition. Games are to start as close to 1230pm as possible at the various venues.

Chadwick

At Chadwick, we love supporting our community and local schools. This year we've decided to get behind the Turramurra Public School Trivia Night which will be held in June 2018.

Target: \$25,000 for playground equipment.

- Are you selling your home in the next 12 months?
- Do you like the idea of a Real Estate agent's fees going directly to your local school?
- Would you like a 50% saving on the sales fee?

If you're thinking of selling, we invite you to contact Noel today to discuss how the sale of your home can help the local community.
